

## Economic 304 Grade Stainless Steel Double Sink Benches 600mm Deep

### Quick Overview

- 1.2mm 304 grade stainless steel top
- Galvanised steel undershelf & legs
- 900mm high with 100mm splashbacks
- 250mm deep bowls
- Hygienic & easy to clean
- Flat packed for easy self-assembly

1200-2400mm Wide

Fantastically priced 600mm deep units with raised lip all around to help prevent spillage and items slipping off and rear splashback which keeps items from falling behind the sink. Angled draining rack ensures water runs back to the sink to drain away, preventing pooling, speeding drying and improving hygiene. Adjustable legs allow stable positioning on uneven surfaces whilst strong undershelf provides vital undersink storage for cleaning equipment and chemicals.

### Product Name
