### Description

## **ECONOMIC STAINLESS STEEL RANGE with LARGE 100 mm SPLASH BACK**

### **304 Grade Stainless Steel Work Tables with 100 mm Splashback and Undershelf**

Robust, reliable and of great value, this multipurpose table provides a superior foundation for conducting work, preparing meals and placing stock and tools. This is a fast selling purchase for any prospective restaurant or café owner who operates a medium-large establishment.

FED's range of stainless-steel tables are always well-received and highly desired, and the 7SB-EC is no exception with its durable frame and clean, shiny surface.

If you're looking for a highly sought-after piece, then the 0300-7-WBB is another one of our most popular kitchen tables, providing total customer satisfaction with its principal worth and make.

Both tables feature sturdy legs and a galvanised steel undershelf for extra space and storage, and, like many of our steel tables, boasts supreme quality, durability and versatile usage - easily sitting at the top of the competition.
